****Preventative Ice melt for parking lots and sidewalks will have 2 hr. min site charge.**

1. Preventative ice melt for parking lots with expected freezing temps with moisture Yes No X
2. Preventative ice melt for sidewalks with expected freezing temps with moisture Yes X No

(Preventative Ice Melt will occur when freezing temperatures are expected along with moisture. Lawn Logic follows the weather report and conducts services based on information we get from weather reports. There are times when an event does not occur. E.g. Forecast calls for moisture with freezing temperatures, no weather did not occur. Services are still completed; this is still a billable service.)

Lawn Logic is not responsible for damage caused by equipment or chemicals to curbs, sidewalks, asphalt, lawns, bushes, or fences. We employ trained, careful staff but due to lack of visibility damage can occur to property. Service times are not limited to 8 to 5. Depending on the weather we may operate 24 hrs. per day and some properties may be serviced twice in a 24-hour period. Lawn Logic does not guarantee a time of service to be completed due to not having a consistent start time. This contract begins Dec 1st of each year with an end date of March 15. Snow contracts must be signed with the following year's maintenance contract. Lawn Logic will not make alterations to the services requested in the contract. All properties are done in a route, and we arrive as quickly as our schedule and weather allows. We cannot guarantee that services will be completed before the start of customers' office hours.
